2026 Cordova Community Foundation Grant Program

Alaska Community Foundation

Instructions

The Cordova Community Foundation (CCF), an Affiliate of The Alaska Community Foundation (ACF), seeks applications from qualified, tax exempt 501(c)(3) organizations (or equivalents, such as Tribal entities, schools, and faith-based organizations) that support charitable organizations and programs in Cordova. During this grant cycle, awards from $500-$3,000 will be made and are intended to be a flexible funding opportunity that may support a broad range of charitable community needs: programs for youth, health and wellness, education, culture and the arts, science, the environment, and community development and enrichment. **Please note that priority will be given to organizations who did not receive funding in the previous year.**

Please review 2026 Cordova CF Competitive Grant Guidelines to determine your eligibility before applying. Ineligible organizations or community groups may be able to receive funding for projects/programs if they seek support from a qualified organization that is willing to provide fiscal sponsorship. Fiscal sponsors must agree to take legal and fiscal responsibility for accepting grant funds on behalf of the ineligible organization or group.

To be considered, eligible grant applications must be submitted online by 5:00 pm Alaska Time on Wednesday, September 30, 2026.

Important Notes for Grantees

- **Required Online Grant Agreement:** If awarded, grantees must complete an online grant agreement.
- **Grant Project/Program Timeline:** Grant projects/programs must be completed within one year of the award date, unless the CCF Advisory Board approves a timeline extension for your awarded project/program. Extensions must be requested prior to the grant report due date.
